## **My role in the Huberman Lab:**

I am responsible for Lab Management and Operations in the *Huberman Lab* located at Stanford University School of Medicine, Department of Neurobiology.

I am the point of contact for: Health and Safety (EHS, OSHA etc), facilities, maintenance, space management and operations.

I manage lab equipment, contracts, order and stock supplies and process and monitor financial transactions including spending, reimbursement and payment to contractors/vendors.

I train lab personnel on lab policies and procedures including School of Medicine and University policies and procedures.

I assist with various other admin tasks including organizing animal protocols, teaching materials, grant proposals, maintenance of the Huberman Lab website and more.

## **EDUCATION/DEGREES**

(1978) Cubberley High School, Palo Alto, Ca.
